Request for Backdoor Collection Waiver Form

The City of Lindsay has partnered with Waste Connections for curbside collections. As part of this change, residents will need to roll their cart to and from the curb each week. If your doctor feels that you are physically unable to bring your cart to and from the curb, you may request that the City help you by rolling your cart to and from the curb for you.

Please complete this Request for Backyard Collection Wavier Form and return it to the City of Lindsay. Please note that this form must be signed by your doctor and updated annually, that you are not physically able to participate in curbside collection.
